This is a follow up to a previous request:

To Whom It May Concern:

I'm following up on the following California Public Records Act request, copied below, and originally submitted on Nov. 9, 2018. You had previously indicated that it would be completed on Jan. 14, 2019. I wanted to check on the status of my request, and to see if there was a new estimated completion date.

Thanks for your help, and let me know if further clarification is needed.
